

# 2020 BB&T GREAT BALLOONFEST®

## How To Make A Hot-Air Balloon

### WHAT YOU NEED:

- Air-filled balloon
- Pipe cleaners, pencils, or hard pasta
- Fruit basket or a small basket with handle cut off
- Scissors
- Tape

### STEPS

- Attach pipe cleaners or other items to each other end-to-end with tape to make them 12-24 inches long.
- Tape one end onto each corner of the basket.
- Tape the other ends to your balloon.
