

# TEA PARTY AT HOME

Sip it up with a tea party at home! The Fillies®, the Festival's largest volunteer group, has shared some fun ideas for planning their annual Children's Tea® with the Derby Festival Princesses – at home!

## THEME

First, choose a theme for your party. From unicorns to superheroes, or anything in between! (You can also find great ideas on Pinterest.)

## DECORATIONS

Once you've chosen a theme, create some simple decorations that revolve around it. Serving guests on pretty dishes and teacups help set the mood.

## DRESS UP OR DOWN

What you wear to your tea party is up to you! Make it fancy or frivolous. Children and adults alike can dress up as princesses, superheroes or in their Sunday best!

## GUEST LIST

Invite some special guests like stuffed animals, pets, siblings and even parents can get involved too!

## THE MENU

Pick your favorite tea or other kid-friendly drink to serve. Finger foods like sandwiches cut in fun shapes, fresh veggies, crackers or cookies are also a must.

## SHARE
