There is no restriction on the number of balls that may be purchased. The Kentucky Derby Festival reserves the right to issue free ball coupons to any player. All players must read and sign an official entry application including the applicant's personal WAIVER OF LIABILITY.

3. The Contest consists of a preliminary nine (9) days of qualifying rounds and a Semi-Final round at the Seneca Golf Course Driving Range in April. The Finals will be held at Seneca Golf Course, Hole # 8. Qualifying times will be posted daily and may vary according to other scheduled events or weather-related issues. In no uncertain terms will shots be allowed after the posted closing time for any qualifying day. Shots struck after the posted closing time will not be counted. Any remaining golf balls not hit during the posted hours will be refunded in the form of a rain check to be used anytime during remaining posted qualifying dates and times.

During the daily preliminary rounds, the 9 best shots (closest to the hole or any hole-in-ones) will advance. All hole-in-ones will advance to the Finals. In addition to the above-mentioned qualifiers, on Ladies Day, the 4 females, closest to the hole, will automatically advance to the Finals. Any female contestant hitting a hole-in-one will be considered as part of the regular daily qualifiers. Jr. Day, the two (2) minors (18 under), closest to the hole, will automatically advance to the Finals. Any Jr. contestant hitting a hole-in-one will be considered as part of the regular daily qualifiers. All remaining qualifiers advance to the Semi-Finals. A person may qualify for the Semi-Finals more than once, but only once per day. Contestants are solely responsible for checking the official standings on the Event site to determine if they are eligible as a semi-finalist.

Persons qualifying for the Semi-Finals will be given three (3) shots. Multiple qualifiers will receive three (3) shots for each time they qualify. The closest of the shots will be measured and recorded as their qualifying attempt. A shot need not be on the green to be measured for the closest to the hole. Semi-Finalists will hit along with the other Semi-Finalists from the same qualifying day. There will be a minimum of two (2) and a maximum of four (4) hitting at one time during the Semi-

Finals. When all three (3) shots are completed, the measurement of each competitor's closest shot will be measured and recorded. The green will then be cleared. The number of Semi-Finalists able to compete at the Finals will be posted before the Semi-Finals on Sunday. There will only be a total of fifty-six (56) positions at the Finals, this includes all daily hole-in-one qualifiers, the four (4) female qualifiers from Ladies Day, and the two (2) Jr. qualifiers from Jr. Day. The remaining finalist positions will be determined at the Semi-Finals. **Contestants are solely responsible for checking the official standing at the event site to determine if they are eligible as a Finalist.**

4. NO CONTESTANT MAY QUALIFY FOR MORE THAN ONE POSITION IN THE FINALS. Only the golfer who qualified in the preliminary or semi-final round will be allowed to compete in the Finals. Semi-Finalists/Finalists forfeit their position if not present and registered exactly thirty (30) minutes prior to the official event start time, or for any other reason are unable to participate.

The schedule of payment will be announced within nine (9) days after certification of eligibility.

Eligibility may be revoked at the sole discretion of Event officials based on such considerations as extreme or unusual conduct, or based on the use of unfair, unrecognized, or illegal golfing apparatus or equipment. Officials may stop play at any time and reserve the right to require contestants to speed up play, divvy up the tee to entrants who have waited more than one hour or to cease activity determined by officials to be unsafe objectionable or unfair. Permission to participate in the contest may be revoked at any time.

7. Officials will observe the green area throughout the contest. The officials will periodically stop play to clear balls from the target area or when a golf ball comes

to rest within the approximate area to be considered for measuring as one of the closest to the hole around the flagstick. The distance from the front of the ball to the center of the hole will be measured and results recorded. Official records will be posted in the registration area at the conclusion of each day's round.

8. A ball in motion stopped or deflected by any outside agency, another ball (whether at rest or still moving) or anything else will be counted as a shot and the results will stand regardless of the resting spot of the golf ball.
